

# KO DAN JA 2022!

## Training Event Wed 20 – Sat 24 April 2022

“Embrace the possibilities”

9 Feb 2022

Dear Tang Soo Do Practitioner,

I hope you are in good health and spirits. It is with great pleasure that I am sending this Invitation for you to attend “KO DAN JA 2022” for advanced Tang Soo Do training. Serious Black Belts have “Master Rank” as their goal, and the goal of this Shim Sa is to raise and develop leaders and realize a STRONG FUTURE! Continuing to develop the leadership of MYTSD (Moo Yea Tang Soo Do) is critical for a successful future, which permeates from “the head down”. Leaders that grow and develop realize that the key in growth and development of their leadership skill is, in part, through studying Leadership as they would a new Hyung or “technique”.

This Shim Sa will cover techniques, philosophy, disciplines, and “Embrace the possibilities”. The key concept of Ko Dan Ja 2022 is Youg Gi (Courage) Endurance). What’s possible in my life if I “embrace courage? Questions such as “Where can courage create future success in areas of past failures”? We’ll also train in “Principals of Bunkai” (Practical Application of Hyungs).

This Shim Sa will be challenging, both physical and mentally. For Masters and Senior Masters in Tang Soo Do we know how challenging it is to find both the time and the opportunity to receive valuable training at the Ko Dan Ja level. This Ko Dan Ja is an opportunity to train and shine!
